Message from the Principal

Dear ALTS Parents and Students,
The first quarter has come and gone, and the second quarter has begun. We had a hugely successful Family Fall Ball on October 20. The cafeteria was filled with parents, family members, teachers and staff, and students all dressed up and having fun as we danced the night away. Working collaboratively with our parent group, we will continue to plan and coordinate events that are family oriented.

A special thank you to the GUILD for planning, decorating, setting up and coordinating the event. As the holiday season approaches, we know life can become busy. I just want emphasize the importance of being at school. State law requires regular school attendance of a school age child; and consistent school attendance is vital for academic success. Therefore, absences shall be excused only for necessary and important reasons. These reasons include illness, bereavement, doctor appointments for the student, other family emergencies and observances of major religious holidays of the family's faith. All absences in excess of a cumulative 10% of the instructional days for the school year shall be reported as unexcused. Also, it is very important that students be punctual. The students are expected to be in their seats ready to work when the second bell rings at 8:15 a.m. Otherwise, the student will be sent to the office for a tardy slip.

Again, it is an extreme pleasure to be here at Abraham Lincoln Traditional School.

Thank you.
Emmitt Phok, Principal

Gifted Services Testing Opportunity

Washington Elementary School District provides a continuum of services for students identified as gifted. Testing for placement in the gifted program takes place three times a year on ALL campuses. If you feel your child demonstrates the traits of a gifted learner, please complete the screening form found on the Gifted Services website (www.wesdschools.org/Page/18) or contact your child's teacher to arrange for testing. A brochure describing services provided to gifted students and a list of common characteristics can be found on the website as well. Feel free to call or email the Coordinator of Gifted Services, Dr. Jason McIntosh, with any questions you may have (Jason.mcintosh@wesdschools.org / 602-347-2651). The gifted teacher on your campus can be reached by email at Christina.Dacey@wesdschools.org or by phone 602-896-6322.
